NORTHWEST SYRIA

Government advances continued in the southwest corner of the Hayyat Tahrir ash Sham (HTS)-dominated Idlib

week.

HTS and other aligned groups continued their bombardment of government-dominated areas with 19 events recorded, half of which occurred in As Suqaylabiyah town and Aleppo City. Long-range GRAD rockets again targeted the Russian operated Hmemiem Airbase in Latakia Governorate.

Non-HTS aligned opposition groups also transferred fighters to the frontlines this week, [including](#) the Turkish backed factions of Shuhadaa Badr, Al Jabha Al Shamiyah and Ahrar al Sharqiya. The Turkistan
